# ***Glossary of Terms, Abbreviations, and Acronyms***

**ABC** – Approved Budget for the Contract.

**ARCC** – Allowable Range of Contract Cost.

**BAC** – Bids and Awards Committee.

**Bid** – A signed offer or proposal to undertake a contract submitted by a bidder in response to and in consonance with the requirements of the bidding documents. Also referred to as *Proposal* and *Tender*. (2016 revised IRR, Section 5[c])

**Bidder** – Refers to a contractor, manufacturer, supplier, distributor and/or consultant who submits a bid in response to the requirements of the Bidding Documents. (2016 revised IRR, Section 5[d])

**Bidding Documents** – The documents issued by the Procuring Entity as the bases for bids, furnishing all information necessary for a prospective bidder to prepare a bid for the Goods, Infrastructure Projects, and/or Consulting Services required by the Procuring Entity. (2016 revised IRR, Section 5[e])

**BIR** – Bureau of Internal Revenue.

**BSP** – Bangko Sentral ng Pilipinas.

**CDA** – Cooperative Development Authority.

**Consulting Services** – Refer to services for Infrastructure Projects and other types of projects or activities of the GOP requiring adequate external technical and professional expertise that are beyond the capability and/or capacity of the GOP to undertake such as, but not limited to: (i) advisory and review services; (ii) pre-investment or feasibility studies; (iii) design; (iv) construction supervision; (v) management and related services; and (vi) other technical services or special studies. (2016 revised IRR, Section 5[i])

**Contract** – Refers to the agreement entered into between the Procuring Entity and the Supplier or Manufacturer or Distributor or Service Provider for procurement of Goods and Services; Contractor for Procurement of Infrastructure Projects; or Consultant or Consulting Firm for Procurement of Consulting Services; as the case may be, as recorded in the Contract Form signed by the parties, including all attachments and appendices thereto and all documents incorporated by reference therein.

**Contractor** – is a natural or juridical entity whose proposal was accepted by the Procuring Entity and to whom the Contract to execute the Work was awarded. Contractor as used in these Bidding Documents may likewise refer to a supplier, distributor, manufacturer, or consultant.

**CPI** – Consumer Price Index.

**DOLE** – Department of Labor and Employment.

**DTI** – Department of Trade and Industry.

**Foreign-funded Procurement or Foreign-Assisted Project** – Refers to procurement whose funding source is from a foreign government, foreign or international financing institution as specified in the Treaty or International or Executive Agreement. (2016 revised IRR, Section 5[b]).

**GFI** – Government Financial Institution.

**GOCC** – Government-owned and/or –controlled corporation.

**Goods** – Refer to all items, supplies, materials and general support services, except Consulting Services and Infrastructure Projects, which may be needed in the transaction of public businesses or in the pursuit of any government undertaking, project or activity, whether in the nature of equipment, furniture, stationery, materials for construction, or personal property of any kind, including non-personal or contractual services such as the repair and maintenance of equipment and furniture, as well as trucking, hauling, janitorial, security, and related or analogous services, as well as procurement of materials and supplies provided by the Procuring Entity for such services. The term “related” or “analogous services” shall include, but is not limited to, lease or purchase of office space, media advertisements, health maintenance services, and other services essential to the operation of the Procuring Entity. (2016 revised IRR, Section 5[r])

**GOP** – Government of the Philippines.

**Infrastructure Projects** – Include the construction, improvement, rehabilitation, demolition, repair, restoration or maintenance of roads and bridges, railways, airports, seaports, communication facilities, civil works components of information technology projects, irrigation, flood control and drainage, water supply, sanitation, sewerage and solid waste management systems, shore protection, energy/power and electrification facilities, national buildings, school buildings, hospital buildings, and other related construction projects of the government. Also referred to as *civil works or works*. (2016 revised IRR, Section 5[u])

**LGUs** – Local Government Units.

**NFCC** – Net Financial Contracting Capacity.

**NGA** – National Government Agency.

**PCAB** – Philippine Contractors Accreditation Board.

**PhilGEPS** - Philippine Government Electronic Procurement System.

**Procurement Project** – refers to a specific or identified procurement covering goods, infrastructure project or consulting services. A Procurement Project shall be described, detailed, and scheduled in the Project Procurement Management Plan prepared by the agency which shall be consolidated in the procuring entity's Annual Procurement Plan. (GPPB Circular No. 06-2019 dated 17 July 2019)

**PSA** – Philippine Statistics Authority.

**SEC** – Securities and Exchange Commission.

**SLCC** – Single Largest Completed Contract.

**UN** – United Nations.

## ***Section I. Invitation to Bid***

## PHILIPPINE NATIONAL OIL COMPANY

PNOC Building VI, Energy Center  
Rizal Drive, BGC, Taguig City  
Tel. No.: (02) 8789 – 7662

### INVITATION TO BID

#### REBIDDING FOR THE REPAIR OF WAREHOUSE 1, 2, 3, 4 (CONCRETE WALL, DOORS, FLOORING)

#### Invitation to Bid No. 2021-11-261

1. The *Philippine National Oil Company*, through the *2021 Approved Corporate Operating Budget* intends to apply the sum of **Seven Million Two Hundred Thousand Pesos (PhP7,200,000.00)** being the Approved Budget for the Contract (ABC) to payments under the contract for the ***Rebidding for the Repair of Warehouse 1, 2, 3, 4 (Concrete Walls, Doors, Flooring)***. Bids received in excess of the ABC shall be automatically rejected at bid opening.
2. The *Philippine National Oil Company*, now invites bids for the above Procurement Project. Completion of the Works is required within one hundred eighty (180) calendar days. Bidders should have completed a contract similar to the Project. The description of an eligible bidder is contained in the Bidding Documents, particularly, in Section II (Instructions to Bidders).
3. Bidding will be conducted through open competitive bidding procedures using non-discretionary “*pass/fail*” criterion as specified in the 2016 revised Implementing Rules and Regulations (IRR) of Republic Act (RA) No. 9184.
4. Interested bidders may obtain further information from *Philippine National Oil Company*, and inspect the Bidding Documents at the address given below during ***working days from 8:00 AM to 5:00 PM***.
5. A complete set of Bidding Documents may be acquired by interested bidders starting ***November 23, 2021*** from given address and website/s below *and upon payment of the applicable fee for the Bidding Documents, pursuant to the latest Guidelines issued by the GPPB, in the amount of Ten Thousand Pesos (PhP10,000.00)*. The Procuring Entity shall allow the bidder to present its proof of payment for the fees in person, by facsimile, or through electronic means.
6. The *Philippine National Oil Company*, will hold a Pre-Bid Conference on ***December 2, 2021 (10:30 AM)*** through videoconferencing via ***Zoom*** which shall be open to prospective bidders.
7. Bids must be duly received by the BAC Secretariat through manual submission at the office address as indicated below, on or before ***December 14, 2021 (10:00 AM)***. Late bids shall not be accepted.

8. All bids must be accompanied by a bid security in any of the acceptable forms and in the amount stated in **ITB** Clause 15.
9. Bid opening shall be on **December 14, 2021 (11:00 AM)** at the given address below and through video-conferencing via **Zoom**. Bids will be opened in the presence of the bidders' representatives who choose to attend the activity.
10. The *Philippine National Oil Company*, reserves the right to reject any and all bids, declare a failure of bidding, or not award the contract at any time prior to contract award in accordance with Sections 35.6 and 41 of the 2016 revised Implementing Rules and Regulations (IRR) of RA No. 9184, without thereby incurring any liability to the affected bidder or bidders.

## ***Section II. Instructions to Bidders***

### **Notes on the Instructions to Bidders**

This Section on the Instruction to Bidders (ITB) provides the information necessary for bidders to prepare responsive bids, in accordance with the requirements of the Procuring Entity. It also provides information on bid submission, eligibility check, opening and evaluation of bids, post-qualification, and on the award of contract.

## **1. Scope of Bid**

The Procuring Entity, *Philippine National Oil Company* invites Bids for the ***Rebidding for the Repair of Warehouse 1, 2, 3, 4 (Concrete Walls, Doors, Flooring)***, with Project Identification Number ***2021-11-261***.

The Procurement Project (referred to herein as “Project”) is for the construction of Works, as described in Section VI (Specifications).

## **2. Funding Information**

2.1. The GOP through the source of funding as indicated below for 2021 in the amount of ***Seven Million Two Hundred Thousand Pesos (PhP7,200,000.00)***.

2.2. The source of funding is:

- a. GOCC and GFIs, the Corporate Operating Budget.

## **3. Bidding Requirements**

The Bidding for the Project shall be governed by all the provisions of RA No. 9184 and its 2016 revised IRR, including its Generic Procurement Manual and associated policies, rules and regulations as the primary source thereof, while the herein clauses shall serve as the secondary source thereof.

Any amendments made to the IRR and other GPPB issuances shall be applicable only to the ongoing posting, advertisement, or invitation to bid by the BAC through the issuance of a supplemental or bid bulletin.

The Bidder, by the act of submitting its Bid, shall be deemed to have inspected the site, determined the general characteristics of the contracted Works and the conditions for this Project, such as the location and the nature of the work; (b) climatic conditions; (c) transportation facilities; (c) nature and condition of the terrain, geological conditions at the site communication facilities, requirements, location and availability of construction aggregates and other materials, labor, water, electric power and access roads; and (d) other factors that may affect the cost, duration and execution or implementation of the contract, project, or work and examine all instructions, forms, terms, and project requirements in the Bidding Documents.

## **4. Corrupt, Fraudulent, Collusive, Coercive, and Obstructive Practices**

The Procuring Entity, as well as the Bidders and Contractors, shall observe the highest standard of ethics during the procurement and execution of the contract. They or through an agent shall not engage in corrupt, fraudulent, collusive, coercive, and obstructive practices defined under Annex “I” of the 2016 revised IRR of RA No. 9184 or other integrity violations in competing for the Project.

## **5. Eligible Bidders**

- 5.1. Only Bids of Bidders found to be legally, technically, and financially capable will be evaluated.
- 5.2. The Bidder must have an experience of having completed a Single Largest Completed Contract (SLCC) that is similar to this Project, equivalent to at least fifty percent (50%) of the ABC adjusted, if necessary, by the Bidder to current prices using the PSA's CPI, except under conditions provided for in Section 23.4.2.4 of the 2016 revised IRR of RA No. 9184.

A contract is considered to be "similar" to the contract to be bid if it has the major categories of work stated in the **BDS**.
- 5.3. For Foreign-funded Procurement, the Procuring Entity and the foreign government/foreign or international financing institution may agree on another track record requirement, as specified in the Bidding Document prepared for this purpose.
- 5.4. The Bidders shall comply with the eligibility criteria under Section 23.4.2 of the 2016 IRR of RA No. 9184.

## **6. Origin of Associated Goods**

There is no restriction on the origin of Goods other than those prohibited by a decision of the UN Security Council taken under Chapter VII of the Charter of the UN.

## **7. Subcontracts**

- 7.1. The Bidder may subcontract portions of the Project to the extent allowed by the Procuring Entity as stated herein, but in no case more than fifty percent (50%) of the Project.

The Procuring Entity has prescribed that:

- a. Subcontracting is not allowed.

## **8. Pre-Bid Conference**

The Procuring Entity will hold a pre-bid conference for this Project on the specified date and time and either at its physical address and/or through videoconferencing via Zoom as indicated in paragraph 6 of the **IB**.

## **9. Clarification and Amendment of Bidding Documents**

Prospective bidders may request for clarification on and/or interpretation of any part of the Bidding Documents. Such requests must be in writing and received by the Procuring Entity, either at its given address or through electronic mail indicated in the **IB**, at least ten (10) calendar days before the deadline set for the submission and receipt of Bids.

## **10. Documents Comprising the Bid: Eligibility and Technical Components**

- 10.1. The first envelope shall contain the eligibility and technical documents of the Bid as specified in **Section IX. Checklist of Technical and Financial Documents**.
- 10.2. If the eligibility requirements or statements, the bids, and all other documents for submission to the BAC are in foreign language other than English, it must be accompanied by a translation in English, which shall be authenticated by the appropriate Philippine foreign service establishment, post, or the equivalent office having jurisdiction over the foreign bidder's affairs in the Philippines. For Contracting Parties to the Apostille Convention, only the translated documents shall be authenticated through an apostille pursuant to GPPB Resolution No. 13-2019 dated 23 May 2019. The English translation shall govern, for purposes of interpretation of the bid.
- 10.3. A valid PCAB License is required, and in case of joint ventures, a valid special PCAB License, and registration for the type and cost of the contract for this Project. Any additional type of Contractor license or permit shall be indicated in the **BDS**.
- 10.4. A List of Contractor's key personnel (e.g., Project Manager, Project Engineers, Materials Engineers, and Foremen) assigned to the contract to be bid, with their complete qualification and experience data shall be provided. These key personnel must meet the required minimum years of experience set in the **BDS**.
- 10.5. A List of Contractor's major equipment units, which are owned, leased, and/or under purchase agreements, supported by proof of ownership, certification of availability of equipment from the equipment lessor/vendor for the duration of the project, as the case may be, must meet the minimum requirements for the contract set in the **BDS**.

## **11. Documents Comprising the Bid: Financial Component**

- 11.1. The second bid envelope shall contain the financial documents for the Bid as specified in **Section IX. Checklist of Technical and Financial Documents**.
- 11.2. Any bid exceeding the ABC indicated in paragraph 1 of the **IB** shall not be accepted.
- 11.3. For Foreign-funded procurement, a ceiling may be applied to bid prices provided the conditions are met under Section 31.2 of the 2016 revised IRR of RA No. 9184.

## **12. Alternative Bids**

Bidders shall submit offers that comply with the requirements of the Bidding Documents, including the basic technical design as indicated in the drawings and

specifications. Unless there is a value engineering clause in the **BDS**, alternative Bids shall not be accepted.

### **13. Bid Prices**

All bid prices for the given scope of work in the Project as awarded shall be considered as fixed prices, and therefore not subject to price escalation during contract implementation, except under extraordinary circumstances as determined by the NEDA and approved by the GPPB pursuant to the revised Guidelines for Contract Price Escalation guidelines.

### **14. Bid and Payment Currencies**

14.1. Bid prices may be quoted in the local currency or tradeable currency accepted by the BSP at the discretion of the Bidder. However, for purposes of bid evaluation, Bids denominated in foreign currencies shall be converted to Philippine currency based on the exchange rate as published in the BSP reference rate bulletin on the day of the bid opening.

14.2. *Payment of the contract price shall be made in:*

- a. Philippine Pesos.

### **15. Bid Security**

15.1. The Bidder shall submit a Bid Securing Declaration or any form of Bid Security in the amount indicated in the **BDS**, which shall be not less than the percentage of the ABC in accordance with the schedule in the **BDS**.

15.2. The Bid and bid security shall be valid until ***one hundred twenty (120) calendar days from deadline of submission***. Any bid not accompanied by an acceptable bid security shall be rejected by the Procuring Entity as non-responsive.

### **16. Sealing and Marking of Bids**

Each Bidder shall submit one copy of the first and second components of its Bid.

The Procuring Entity may request additional hard copies and/or electronic copies of the Bid. However, failure of the Bidders to comply with the said request shall not be a ground for disqualification.

If the Procuring Entity allows the submission of bids through online submission to the given website or any other electronic means, the Bidder shall submit an electronic copy of its Bid, which must be digitally signed. An electronic copy that cannot be opened or is corrupted shall be considered non-responsive and, thus, automatically disqualified.

### **17. Deadline for Submission of Bids**

The Bidders shall submit on the specified date and time and either at its physical address or through online submission as indicated in paragraph 7 of the **IB**.

## **18. Opening and Preliminary Examination of Bids**

18.1. The BAC shall open the Bids in public at the time, on the date, and at the place specified in paragraph 9 of the **IB**. The Bidders' representatives who are present shall sign a register evidencing their attendance. In case videoconferencing, webcasting or other similar technologies will be used, attendance of participants shall likewise be recorded by the BAC Secretariat.

In case the Bids cannot be opened as scheduled due to justifiable reasons, the rescheduling requirements under Section 29 of the 2016 revised IRR of RA No. 9184 shall prevail.

18.2. The preliminary examination of Bids shall be governed by Section 30 of the 2016 revised IRR of RA No. 9184.

## **19. Detailed Evaluation and Comparison of Bids**

19.1. The Procuring Entity's BAC shall immediately conduct a detailed evaluation of all Bids rated "*passed*" using non-discretionary pass/fail criteria. The BAC shall consider the conditions in the evaluation of Bids under Section 32.2 of 2016 revised IRR of RA No. 9184.

19.2. If the Project allows partial bids, all Bids and combinations of Bids as indicated in the **BDS** shall be received by the same deadline and opened and evaluated simultaneously so as to determine the Bid or combination of Bids offering the lowest calculated cost to the Procuring Entity. Bid Security as required by **ITB** Clause 16 shall be submitted for each contract (lot) separately.

19.3. In all cases, the NFCC computation pursuant to Section 23.4.2.6 of the 2016 revised IRR of RA No. 9184 must be sufficient for the total of the ABCs for all the lots participated in by the prospective Bidder.

## **20. Post Qualification**

Within a non-extendible period of five (5) calendar days from receipt by the Bidder of the notice from the BAC that it submitted the Lowest Calculated Bid, the Bidder shall submit its latest income and business tax returns filed and paid through the BIR Electronic Filing and Payment System (eFPS), and other appropriate licenses and permits required by law and stated in the **BDS**.

## **21. Signing of the Contract**

The documents required in Section 37.2 of the 2016 revised IRR of RA No. 9184 shall form part of the Contract. Additional Contract documents are indicated in the **BDS**.

## ***Section III. Bid Data Sheet***

### **Notes on the Bid Data Sheet (BDS)**

The Bid Data Sheet (BDS) consists of provisions that supplement, amend, or specify in detail, information, or requirements included in the ITB found in Section II, which are specific to each procurement.

This Section is intended to assist the Procuring Entity in providing the specific information in relation to corresponding clauses in the ITB and has to be prepared for each specific procurement.

The Procuring Entity should specify in the BDS information and requirements specific to the circumstances of the Procuring Entity, the processing of the procurement, and the bid evaluation criteria that will apply to the Bids. In preparing the BDS, the following aspects should be checked:

- a. Information that specifies and complements provisions of the ITB must be incorporated.
- b. Amendments and/or supplements, if any, to provisions of the ITB as necessitated by the circumstances of the specific procurement, must also be incorporated.

# Bid Data Sheet

ITB Clause																										
5.2	<p>For this purpose, contracts similar to the Project refer to contracts which have the same major categories of work, which shall be:</p> <p>The contractor must have at least five (5) years of relevant experience and have completed at least two (2) projects in construction of concrete partition and drainage <b>and/or</b> repairing of concrete walls and flooring.</p>																									
7.1	<i>Subcontracting is not allowed.</i>																									
10.3	<i>Valid PCAB License and Registration is required</i>

10.5	The minimum major equipment requirements are the following:		
	Equipment	Capacity	Number of Units
	Vibratory Plate Compactor	4 Tons	Min. of (1)
	Elf Truck	-	Min. of (1)
	Concrete Mixer	One bagger	Min. of (1)
	Welding Machine	-	Min. of (1)
	Diamond Grinder	-	Min. of (1)
12	<i>Alternative bids shall not be accepted.</i>		
15.1	<p>The bid security shall be in the form of a Bid Securing Declaration or any of the following forms and amounts:</p> <p>a. The amount of not less than <b>PhP144,000.00</b> <i>[two percent (2%) of ABC]</i>, if bid security is in cash, cashier's/manager's check, bank draft/guarantee or irrevocable letter of credit;</p> <p>b. The amount of not less than <b>PhP360,000.00</b> <i>[five percent (5%) of ABC]</i> if bid security is in Surety Bond.</p>		
19.2	Partial bid is not allowed.		
20			
21	Additional contract documents relevant to the Project that may be required by existing laws and/or the Procuring Entity, such as construction schedule and S-curve, manpower schedule, construction methods, equipment utilization schedule, construction safety and health program approved by the DOLE, and other acceptable tools of project scheduling.		

## ***Section IV. General Conditions of Contract***

### **Notes on the General Conditions of Contract**

The General Conditions of Contract (GCC) in this Section, read in conjunction with the Special Conditions of Contract in Section V and other documents listed therein, should be a complete document expressing all the rights and obligations of the parties.

Matters governing performance of the Contractor, payments under the contract, or matters affecting the risks, rights, and obligations of the parties under the contract are included in the GCC and Special Conditions of Contract.

Any complementary information, which may be needed, shall be introduced only through the Special Conditions of Contract.

## 1. Scope of Contract

This Contract shall include all such items, although not specifically mentioned, that can be reasonably inferred as being required for its completion as if such items were expressly mentioned herein. All the provisions of RA No. 9184 and its 2016 revised IRR, including the Generic Procurement Manual, and associated issuances, constitute the primary source for the terms and conditions of the Contract, and thus, applicable in contract implementation. Herein clauses shall serve as the secondary source for the terms and conditions of the Contract.

This is without prejudice to Sections 74.1 and 74.2 of the 2016 revised IRR of RA No. 9184 allowing the GPPB to amend the IRR, which shall be applied to all procurement activities, the advertisement, posting, or invitation of which were issued after the effectivity of the said amendment.

## 2. Sectional Completion of Works

If sectional completion is specified in the **Special Conditions of Contract (SCC)**, references in the Conditions of Contract to the Works, the Completion Date, and the Intended Completion Date shall apply to any Section of the Works (other than references to the Completion Date and Intended Completion Date for the whole of the Works).

## 3. Possession of Site

4.1. The Procuring Entity shall give possession of all or parts of the Site to the Contractor based on the schedule of delivery indicated in the **SCC**, which corresponds to the execution of the Works. If the Contractor suffers delay or incurs cost from failure on the part of the Procuring Entity to give possession in accordance with the terms of this clause, the Procuring Entity's Representative shall give the Contractor a Contract Time Extension and certify such sum as fair to cover the cost incurred, which sum shall be paid by Procuring Entity.

4.2. If possession of a portion is not given by the above date, the Procuring Entity will be deemed to have delayed the start of the relevant activities. The resulting adjustments in contract time to address such delay may be addressed through contract extension provided under Annex "E" of the 2016 revised IRR of RA No. 9184.

## 4. The Contractor's Obligations

The Contractor shall employ the key personnel named in the Schedule of Key Personnel indicating their designation, in accordance with **ITB** Clause 10.3 and specified in the **BDS**, to carry out the supervision of the Works.

The Procuring Entity will approve any proposed replacement of key personnel only if their relevant qualifications and abilities are equal to or better than those of the personnel listed in the Schedule.

## **5. Performance Security**

- 5.1. Within ten (10) calendar days from receipt of the Notice of Award from the Procuring Entity but in no case later than the signing of the contract by both parties, the successful Bidder shall furnish the performance security in any of the forms prescribed in Section 39 of the 2016 revised IRR.
- 5.2. The Contractor, by entering into the Contract with the Procuring Entity, acknowledges the right of the Procuring Entity to institute action pursuant to RA No. 3688 against any subcontractor be they an individual, firm, partnership, corporation, or association supplying the Contractor with labor, materials and/or equipment for the performance of this Contract.

## **6. Site Investigation Reports**

The Contractor, in preparing the Bid, shall rely on any Site Investigation Reports referred to in the **SCC** supplemented by any information obtained by the Contractor.

## **7. Warranty**

- 7.1. In case the Contractor fails to undertake the repair works under Section 62.2.2 of the 2016 revised IRR, the Procuring Entity shall forfeit its performance security, subject its property(ies) to attachment or garnishment proceedings, and perpetually disqualify it from participating in any public bidding. All payables of the GOP in his favor shall be offset to recover the costs.
- 7.2. The warranty against Structural Defects/Failures, except that occasioned-on force majeure, shall cover the period from the date of issuance of the Certificate of Final Acceptance by the Procuring Entity. Specific duration of the warranty is found in the **SCC**.

## **8. Liability of the Contractor**

Subject to additional provisions, if any, set forth in the **SCC**, the Contractor's liability under this Contract shall be as provided by the laws of the Republic of the Philippines.

If the Contractor is a joint venture, all partners to the joint venture shall be jointly and severally liable to the Procuring Entity.

## **9. Termination for Other Causes**

Contract termination shall be initiated in case it is determined *prima facie* by the Procuring Entity that the Contractor has engaged, before, or during the implementation of the contract, in unlawful deeds and behaviors relative to contract acquisition and implementation, such as, but not limited to corrupt, fraudulent, collusive, coercive, and obstructive practices as stated in **ITB** Clause 4.

## **10. Dayworks**

Subject to the guidelines on Variation Order in Annex “E” of the 2016 revised IRR of RA No. 9184, and if applicable as indicated in the **SCC**, the Dayworks rates in the Contractor’s Bid shall be used for small additional amounts of work only when the Procuring Entity’s Representative has given written instructions in advance for additional work to be paid for in that way.

## **11. Program of Work**

11.1. The Contractor shall submit to the Procuring Entity’s Representative for approval the said Program of Work showing the general methods, arrangements, order, and timing for all the activities in the Works. The submissions of the Program of Work are indicated in the **SCC**.

11.2. The Contractor shall submit to the Procuring Entity’s Representative for approval an updated Program of Work at intervals no longer than the period stated in the **SCC**. If the Contractor does not submit an updated Program of Work within this period, the Procuring Entity’s Representative may withhold the amount stated in the **SCC** from the next payment certificate and continue to withhold this amount until the next payment after the date on which the overdue Program of Work has been submitted.

## **12. Instructions, Inspections and Audits**

The Contractor shall permit the GOP or the Procuring Entity to inspect the Contractor’s accounts and records relating to the performance of the Contractor and to have them audited by auditors of the GOP or the Procuring Entity, as may be required.

## **13. Advance Payment**

The Procuring Entity shall, upon a written request of the Contractor which shall be submitted as a Contract document, make an advance payment to the Contractor in an amount not exceeding fifteen percent (15%) of the total contract price, to be made in lump sum, or at the most two installments according to a schedule specified in the **SCC**, subject to the requirements in Annex “E” of the 2016 revised IRR of RA No. 9184.

## **14. Progress Payments**

The Contractor may submit a request for payment for Work accomplished. Such requests for payment shall be verified and certified by the Procuring Entity’s Representative/Project Engineer. Except as otherwise stipulated in the **SCC**, materials and equipment delivered on the site but not completely put in place shall not be included for payment.

## **15. Operating and Maintenance Manuals**

15.1. If required, the Contractor will provide “as built” Drawings and/or operating and maintenance manuals as specified in the **SCC**.

- 15.2. If the Contractor does not provide the Drawings and/or manuals by the dates stated above, or they do not receive the Procuring Entity's Representative's approval, the Procuring Entity's Representative may withhold the amount stated in the **SCC** from payments due to the Contractor.

## ***Section V. Special Conditions of Contract***

### **Notes on the Special Conditions of Contract**

Similar to the BDS, the clauses in this Section are intended to assist the Procuring Entity in providing contract-specific information in relation to corresponding clauses in the GCC found in Section IV.

The Special Conditions of Contract (SCC) complement the GCC, specifying contractual requirements linked to the special circumstances of the Procuring Entity, the Procuring Entity's country, the sector, and the Works procured. In preparing this Section, the following aspects should be checked:

- a. Information that complements provisions of the GCC must be incorporated.
- b. Amendments and/or supplements to provisions of the GCC as necessitated by the circumstances of the specific purchase, must also be incorporated.

However, no special condition which defeats or negates the general intent and purpose of the provisions of the GCC should be incorporated herein.

# Special Conditions of Contract

GCC Clause	
2	Kindly refer to the Scope of Work/Technical Specifications/Milestones
4.1	Kindly refer to the Scope of Work/Technical Specifications/Milestones
6	The site investigation reports are: Kindly refer to the Scope of Work/Technical Specifications.
7.2	<i>In case of permanent structures, such as buildings of types 4 and 5 as classified under the National Building Code of the Philippines and other structures made of steel, iron, or concrete which comply with relevant structural codes (e.g., DPWH Standard Specifications), such as, but not limited to, steel/concrete bridges, flyovers, aircraft movement areas, ports, dams, tunnels, filtration and treatment plants, sewerage systems, power plants, transmission and communication towers, railway system, and other similar permanent structures: Fifteen (15) years.</i>
10	No dayworks are applicable to the contract.
11.1	The Contractor shall submit the Program of Work to the Procuring Entity's Representative within <i>Fifteen (15) Calendar days</i> of delivery of the Notice of Award.
11.2	The amount to be withheld for late submission of an updated Program of Work is <b>one tenth (1/10) of one percent (1%) of the total project cost</b>
13	The amount of the advance payment is <b>15%</b> of the contract amount.
14	Materials and equipment delivered on the site but not completely put in place shall not be included for payment.
15.1	The date by which "as built" drawings are required within thirty (30) Calendar Days upon acceptance of the Punch List.
15.2	The amount to be withheld for failing to produce "as built" drawings and/or operating and maintenance manuals by the date required is <b>PhP22,400.00</b>

## ***Section VI. Specifications***

## I. SCOPE OF WORK

The contractor shall supply all required labor, tools, materials, equipment, and necessary supervision and technical expertise to execute and complete the repair of Warehouse 1, 2, 3, and 4.

1. Mobilization;
2. Construction of partition wall at Warehouse 1 Unit 4, 5, and 6. The wall is a masonry wall of one (1) meter height from the natural grade line with stiffener columns spaced at three (3) meters.
3. Repair of masonry wall at Warehouse 1. The repair includes patching of epoxy mortar at cracks and holes of the existing CHB wall, plastering and painting of both faces of the wall.
4. Repair of reinforced concrete walls at Warehouse 2. The repair includes application of two-part epoxy crack sealer of the existing reinforced concrete wall and repainting works.
5. Repair of masonry wall at Warehouse 3. The repair includes application of two-part epoxy crack sealer and patching of epoxy mortar at cracks and holes of the existing CHB wall, plastering and painting of both faces of the wall.
6. Repair of masonry wall at Warehouse 4. The repair includes patching of epoxy mortar at cracks and holes of the existing CHB wall, plastering and painting of both faces of the wall.
7. Installation of roof drainage at Warehouse 1 unit 3,4,5 and 6;
8. Repair of warehouse floor by applying two-part epoxy sealer for concrete holes, cracks, and joints for Warehouse 1,2,3 and 4;
9. Rehabilitation of warehouse flooring by applying concrete sealer for Warehouse 1,2,3, and 4;
10. Restoration of affected areas; and
11. Cleaning and demobilization.

## II. LABOR REQUIREMENTS

The minimum key personnel and work experience requirements are the following:

Key Personnel	General Experience	Relevant Experience
Project Manager	Min. 5 years professional experience in over-all project management in engineering field	Min. 3 years experience in constructing fence and drainage and repairing of concrete walls
Project Engineer	Min. 5 years professional experience in over-all project management in engineering field	Min. 3 years experience in constructing fence and drainage and repairing of concrete walls
Safety Officer	Safety Officer 2	
Foreman	Min of 5 years of being a foreman	Min. 3 years experience in constructing fence and drainage and repairing of concrete walls

Mason	Min of 5 years of being a mason	Min. 3 years experience in constructing fence and drainage and repairing of concrete walls
Steel Man	Min of 5 years of being a steel man	Min. 3 years experience in constructing fence and drainage and repairing of concrete walls
Painter	Min of 5 years of being a painter	Min. 3 years experience in constructing fence and drainage and repairing of concrete walls

The contractor's qualified safety personnel, supervisor, and lead foreman must always be present on site wherever work is being performed.

### III. EQUIPMENT REQUIREMENTS

The minimum major requirements are the following:

Equipment	Capacity	Number of Units
Vibratory Plate Compactor	4 Tons	Min. of (1)
Elf Truck	-	Min. of (1)
Concrete Mixer	One bagger	Min. of (1)
Welding Machine	-	Min. of (1)
Diamond Grinder	-	Min. of (1)

### IV. MATERIALS REQUIREMENTS

1. Concrete design should be 3000 psi, 14days, G1. Consistency of the concrete as measured in accordance with ASTM A143. Mixture shall have a slump value that ranges from 100mm – 150mm. No excessively wet concrete will be permitted. Concrete having a slump less than / more than that specified value will be rejected.
2. Cement shall be Portland cement conforming to ASTM C150 Type II.
3. Fine aggregate shall consist of natural sand, stone screenings, or other inert materials with similar characteristics, or combinations thereof, having hard, strong, durable particles. Fine aggregate shall conform to ASTM C33.
4. The coarse aggregate shall consist of crushed stone, gravel, blast furnace slag, or other approved inert materials of similar characteristics, or combination thereof, having hard, strong durable pieces and free from any adherent coatings. Coarse aggregate shall conform to ASTM C33.
5. Reinforcing bars shall be deformed bars conforming to ASTM A615, Grade 40, weldable substantially free from mill scale, rust dirt grease and other foreign matter.

6. Water used in mixing, curing or other designated application shall be reasonable clean and free of oil, salt, acid, alkali, grass or other substances injurious to the finished product.
7. Width, height and length of concrete hollow blocks shall be conformed from the specified dimension shown in Annex B. It shall conform to ASTM C90, Grade N.
8. For storm drainage lines, the pipes and fittings shall be Polyvinyl Chloride (PVC) pipes series 1000 conforming to ASTM D2729 for sizes 100mm to 250mm diameter.
9. Epoxy Sealant shall conform to the application indicated in the chosen brand and to ASTM. Contractor shall submit product specification and methodology subject for approval.

## **V. BILL OF QUANTITIES (BOQ)**

The contractor may refer to Annex A for the Bill of Quantities.

## **VI. DRAWINGS AND REFERENCES**

The contractor may refer to Annex B for the drawings of warehouses indicating the design and details to be repaired/constructed.

## **VII. PROJECT EXECUTION REQUIREMENTS**

### **A. Methodology Requirements**

#### **1. Mobilization & Demobilization**

Mobilization shall include transportation to the site of Contractor's materials, equipment, employees, furnishings, and temporary facilities. The Contractor shall furnish, install and maintain temporary facilities and controls, as required to perform the work. This includes storage for construction materials, tools and machineries. Location of the temporary storage facilities shall be designated by PNOC. However, sleeping quarters inside the ESB premises is prohibited.

Demobilization shall include dismantling and removal from the site of Contractor's materials, equipment, and all temporary facilities. It shall include cleanup of the site after completion of work as approved by the PNOC Project Engineer. Proper waste management from source to final disposal shall be the responsibility of the contractor as approved by the PNOC management.

The Contractor shall furnish the PNOC Project Engineer with a resource schedule showing in detail the sequence of proposed delivery to the site of the materials and equipment necessary to comply with the proposed construction program.

#### Basis of Payment:

The quantities determined as provided above shall be paid for at the appropriate contract unit price, for each of the particular pay items shown in the Bill of Quantities which price and payment shall constitute full compensation for furnishing and maintaining such item.

Payment of Mobilization/	= 70% Mobilization (By monthly progress billing) +
Demobilization	30% Demobilization (Upon certification by PNOC after demobilization has been completed)

### **2. Occupational Safety and Health Program**

All safety, security, and health controls necessary for the execution of the works such as but not limited to, medical facilities, manpower safety gadgets, sanitary arrangements, explosive and fuel, safety precaution, fire prevention shall be established and maintained by the Contractor at his own expense. The Contractor shall make himself responsible for all security, safety, and health controls and shall submit to the PNOC Project Engineer/ HSSE Officer for his approval the Occupational Safety and Health Program.

The contractor must provide all workers and supervisors with the complete Personal Protective Equipment (PPE) and necessary equipment in accordance with the Occupational Safety and Health Standard of DOLE Department Order 198-18, and RA 11058.

### **3. Permits and Licenses**

The Contractor shall secure all Government permits and licenses required for the execution of the work. The contractor shall submit copies of the said permit and licenses to PNOC for monitoring of Contractor's compliance to government mandated protocols.

### **4. Warranty Bond**

The Contractor shall be required to put up a warranty security in the form of cash, bank guarantee, letter of credit, GSIS or surety bond callable on demand. The warranty security shall be stated in Philippine Pesos and shall remain effective for one year from the date of issuance of the Certificate of Acceptance by PNOC.

### **5. Material Testing**

All material testing and quality control expenses shall be shouldered by the Contractor and shall be conducted by a third party accredited by BRS/DPWH. All material testing shall be witnessed by PNOC Project Engineer and/or representative.

### **6. As Built Drawing**

The Contractor shall submit all relevant documents to PNOC ESB on or before the date of final acceptance of the project such as: Final Joint Measurement, Final Quantification, As-built drawing, etc. The as-built plan shall be submitted in five (5) sets each size AO and A3.

As-built drawings shall be a pre-requisite in processing the final billing of the Contractor. The final payment will be paid upon certification by the PNOC Project Engineer that the submitted as built drawings has been compliant to his satisfaction.

## **7. Construction of Masonry Wall at Warehouse 1 Unit 3,4, and 5**

7.1 The Contractor shall validate and check any conditions on site which may have an effect on the work and shall immediately notify PNOC Project Engineer commencing of the works. The contractor shall furnish necessary equipment and deploy necessary manpower to clear and remove existing structures prior to commencing of the work.

7.2 The Contractor shall furnish necessary equipment and material to survey, stake, calculate, and record data for the control of work in conformity with the lines, grades, and dimensions shown on Annex B or as established by the PNOC Project Engineer.

Staking activities shall be included in the construction schedule to be submitted by the Contractor. Dates and sequence of each staking activity shall be included. The Engineer shall set initial reference lines, horizontal and vertical control points, and furnish the data for use in establishing control for the completion of each element of the work.

7.3 The contractor shall remove wholly or in part, and satisfactorily dispose all structures, fences, abandoned pipe lines, and any other obstructions which may affect execution of the work.

7.4 Foundations of stiffener columns and masonry walls shall be excavated to the lines and grades or elevations shown on the Plans (See Annex B). They shall be of sufficient size to permit the placing of structures/ structure footing of the full width and length shown. Boulders, logs, and other objectionable material encountered in excavation shall be removed. After excavation is completed, the contractor shall notify the PNOC Project Engineer to that effect and no footing or bedding material shall be placed until the Engineer has approved the depth of excavation and the character of the foundation material.

7.5 For foundations and stiffener columns, rebar cutting list should be submitted and approved by the PNOC Project Engineer prior to fabrication. After fabrication and installation of reinforcing steel, the contractor shall notify the Engineer and secure approval of installed reinforcing steel prior to concrete pouring.

- 7.6 Concrete shall have a consistency such that it will be workable in the required position. It shall be of such consistency that it will flow around reinforcing steel but individual particles of the coarse aggregate when isolated shall show a coating of mortar containing its proportionate amount of sand. The consistency of concrete shall be gauged by the ability of the equipment to properly place it and not by the difficulty in mixing and transporting.
- 7.7 Concrete surfaces shall be free from fins, bulges, ridges, offsets, honeycombs, or roughness of any kind, and shall present a finished, smooth, continuous hard surface.
- 7.8 The samples shall be cured and tested on time and in accordance with the standard testing of materials. Concrete sample shall be taken and not less than 1 set consisting of 3 cylinder samples for every 50 cu. m. of concrete or fraction thereof placed each day. If the concrete sample failed to meet the required strength, the contractor is obliged to conduct a core test or load to verify the results.
- 7.9 Line and grade of walls shall be established and inspected by the PNOC Project Engineer prior to laying. Concrete hollow blocks shall be completely cured prior to laying. It is advisable to sample delivered hollow blocks to testing to check desired compressive strength. The contractor shall invite the PNOC Project Engineer for inspection of the installed concrete hollow blocks prior to plastering.
- 7.10 After plastering, the contractor shall invite the PNOC Project Engineer for plumbness inspection of the wall prior to paint finishing.

## **8 Repair of Masonry Walls**

- 8.1 The Contractor shall inspect the existing condition of the one (1) meter masonry walls. The Contractor shall assess the manifestation of cracks at the masonry wall. The Contractor shall clean the affected areas. The cracks shall be free from dust.
- 8.2 The contractor shall apply two-part epoxy sealer for the cracks on the walls. The chemical preparations for the compositions of the epoxy sealer shall be appropriate for the size of the cracks. For large void spaces, the Contractor shall combine the epoxy resin of either low viscosity or higher viscosity, with sand aggregate to form epoxy mortar. The contractor shall patch the epoxy mortar at the large voids. The Contractor shall notify the PNOC Project Engineer prior to injecting/ patching of the epoxy sealer.
- 8.3 The contractor shall apply two coats of paint at the wall after the curing period of the concrete sealer. The coats shall be primer and color beige latex paints.

## **9 Repair of Reinforced Concrete Walls**

9.1 The Contractor shall inspect the existing condition of the one (1) meter reinforced concrete walls. The Contractor shall assess the manifestation of cracks at the concrete wall. The Contractor shall clean the affected areas. The cracks shall be free from dust.

9.2 The contractor shall apply two-part epoxy sealer for the cracks on the walls. The chemical preparations for the compositions of the epoxy sealer shall be appropriate for the size of the cracks. The Contractor shall notify the PNOC Project Engineer prior to injecting/ patching of the epoxy sealer.

9.3 The contractor shall apply two coats of paint at the wall after the curing period of the concrete sealer. The coats shall be primer and color beige latex paints.

## **10 Installation of Roof Drainage System at Warehouse 1 Unit 4,5,6**

10.1 The contractor shall repair the existing gutter at Warehouse 1 Unit 4, 5, and 6. The contractor shall assess the condition of the existing gutter and apply polyurethane sealant for observed holes.

10.2 The Contractor shall install roof drains spaced at 6 meters on center. The Contractor shall use four (4) inch  $\varnothing$  roof drain and Series 1000 PVC Pipe. For the Horizontal Rainwater Pipe and Down Spout, the contractor shall use six (6) inch  $\varnothing$  Series 1000 PVC pipe.

10.3 The Contractor may refer to Annex B Sheet 7 for the shop drawing details of the Roof Drainage System.

## **11 Repair of Concrete Slab on Grade**

11.1 The Contractor shall inspect the existing condition of the flooring (Slab on Grade) of Warehouse 1, 2, 3, and 4. The Contractor shall assess the manifestation of concrete holes, cracks and joints. The Contractor shall clean the affected areas and it shall be free from dust.

11.2 The contractor shall apply two-part epoxy sealer for the concrete holes, cracks, and joints. The chemical preparations for the compositions of the epoxy sealer shall be appropriate for the size of the cracks. For large void spaces, the Contractor shall combine the epoxy resin of either low viscosity or higher viscosity, with cement and sand aggregate to form epoxy mortar. The contractor shall patch the epoxy mortar at the large voids. The Contractor shall notify the PNOC Project Engineer prior to injecting/ patching of the epoxy sealer.

11.3 After curing of the epoxy sealer, the contractor shall clean the warehouse flooring. The contractor shall notify PNOC Project Engineer for inspection prior to application of concrete sealers.

- 12 All works, which are not in accordance with this Terms of Reference, shall be corrected at the Contractor's expense.
- 13 All matters/changes relative to the project specifications shall be brought to the attention of PNOC or the Project Engineer/Inspector assigned to the project.

## **B. General Conditions**

1. A joint inspection must be conducted by the Contractor and PNOC Representatives on the specific works to be done for the project.
2. The contractor is required to inspect and examine the site and the surroundings of the proposed project to arrive at an estimate of the labor, materials, and equipment necessary to carry out the work.
3. The Contractor is required to secure the required surety, performance and guarantee bonds prior to the commencement of work.
4. The contractor shall secure the following requirements prior to execution of works:
  - a. PNOC ESB Work Permit System; and
  - b. Safety and Health Orientations of all personnel by PNOC ESB HSSE Officer.
5. The contractor is required to submit the following items subject for approval of PNOC:
  - 5.1 Within 15 days after issuance of Notice To Award:
    - a. Program of Work
  - 5.2 Within 15 days after issuance of Notice To Proceed:
    - a. Construction Methodology
    - b. Inspection and Test Plan
    - c. BOQ with Weighted Percentage
    - d. Manpower Histogram
    - e. Tools and Equipment Histogram
    - f. Work Schedule and S-Curve; and
    - g. Safety Program
6. The contractor must conduct proper planning and safety orientation meeting to all personnel involved in the work prior to commencement.
7. The contractor is required to coordinate all activities and work relative to the project with the PNOC representative for proper monitoring and coordination.
8. The Contractor shall commence work on the agreed Start Date and shall carry out the work in accordance with the program of work submitted by the CONTRACTOR, as approved by the PNOC representative and complete the project by the completion date as indicated in the TOR.
9. The contractor shall be liable for all accident claims and other related claims arising from injuries and damages, which may occur in relation to the execution of the project.

10. The contractor shall hold PNOC and its personnel free from any and all liabilities for damages arising from injuries or liabilities to persons or damages to property occasioned by any act or omissions of the contractor including any and all expenses which may be incurred by PNOC and its personnel in the defense of any claim, action or suit.
11. The cost of any and all rework and/or restoration of damaged properties due to Contractor's poor workmanship or negligence shall be borne by the contractor.
12. The Contractor must comply with all standard health and safety requirements to include, among others, the use of personal protective equipment by all workers, installation of safety signage, proper ID and observe company rules and regulations on safety and security.
13. The work shall be executed in the best and thorough manner throughout the project timeline to the satisfaction of PNOC, as represented by its engineers and supervisors who will jointly interpret the meaning of the scope of work and its conditions and shall have the power to reject any work, method of accomplishing every part of work and material used which in their judgment are not fully in accordance with the specifications and/or description as provided in the scope of work and are deemed to be disadvantageous to PNOC.
14. The Contractor shall be liable for all direct and consequential damages arising out of any failure to perform the work in accordance with the schedule and with terms and conditions of the contract documents.
15. The Contractor shall submit to PNOC ESB representative Daily Accomplishment Report for construction monitoring purposes. The Daily Accomplishment Report shall include manpower monitoring, equipment monitoring, accomplishment report, problems encountered on site, and progress photos.
16. The Base operations shall be given priority on the phasing of works. The Contractor should therefore coordinate with the PNOC ESB representative and/or Duty Supervisor regarding the scheduling and phasing of works so as not to interrupt the Base operations during project implementation.
17. The Contractor shall be liable for all direct and consequential damages arising out of any failure to perform the work in accordance with the schedule and with terms and conditions of the contract documents.

### **C. Site Possession**

1. The Contractor confirms that he has inspected the site where the work will be performed; that he is fully aware of the conditions which might affect the nature, extent and cost of the work required; that PNOC shall in no way be responsible for any costs or expenses which may be incurred on account of failure of the Contractor to make an accurate examination of present and/or assessment of future factors that may affect the cost of execution.
2. The Contractor shall be liable for all direct and consequential damages arising out of any failure to perform the work in accordance with the schedule and with terms and conditions of the contract documents
3. The PNOC ESB shall designate a specific area to be used by the CONTRACTOR as temporary facilities/storage area/administration area in connection with the

project. Tapping point for the required utilities such as power and water shall be provided by PNOC. All power and water usages will be charged to the contractor.

#### **D. Contract interpretation**

1. The contract documents, specifications and drawings are mutually complimentary. In case of conflict, what is noted in one although not shown in another shall be considered contained in all. The specifications shall prevail over the drawings. The documents forming the contract shall be interpreted in the following order of priority:
  - a. Contract/Construction Agreement
  - b. Letter of Acceptance
  - c. Contractor's Bid
  - d. Special Conditions of the Contract
  - e. Specifications
  - f. Drawings
  - g. Bill of Quantities
  - h. Any other documents listed in the Special Conditions of the Contracts as forming part of the Contract.
2. The Contractor shall examine all the issued documents relating to the work and must have verified all existing conditions at the site. No consideration will be given for any alleged misunderstanding or misinterpretation of the specifications and materials to be used or work to be done.
3. All works shall be properly coordinated with PNOC ESB.

#### **VIII. PROJECT DURATION**

Work should be completed within One hundred eighty days (180) calendar days reckoned from the date of receipt of the Notice to Proceed. The 180 calendar days includes the fifteen (15) days rainy/ unworkable days with the approval of the PNOC ESB management.

*NOTE: Delays due to work stoppage (related to contractor's noncompliance to Safety, Health, Security, and Environmental policies of ESB) ordered by PNOC shall not be counted against the set completion date.*

#### **IX. WARRANTY PROVISIONS**

The warranty shall be One (1) year reckoned from the date of final turn-over and acceptance.

**In case a document in ANNEX A is expired, please attach an updated / valid copy of that document, or**
- ☐ (b) Registration certificate from Securities and Exchange Commission (SEC), Department of Trade and Industry (DTI) for sole proprietorship, or Cooperative Development Authority (CDA) for cooperatives or its equivalent document;  
**and**
- ☐ (c) Mayor’s or Business permit issued by the city or municipality where the principal place of business of the prospective bidder is located, or the equivalent document for Exclusive Economic Zones or Areas;  
**and**
- ☐ (e) Tax clearance per E.O. No. 398, s. 2005, as finally reviewed and approved by the Bureau of Internal Revenue (BIR).

#### Technical Documents

- ☐ (f) Statement of the prospective bidder of all its ongoing government and private contracts, including contracts awarded but not yet started, if any, whether similar or not similar in nature and complexity to the contract to be bid; **and**
- ☐ (g) Statement of the bidder’s Single Largest Completed Contract (SLCC) similar to the contract to be bid, except under conditions provided under the rules;

**The statement of the Bidder’s SLCC shall be supported by the Notice of Award and/or Notice to Proceed, Project Owner’s Certificate of Final Acceptance issued by the Owner other than the Contractor or the Constructors Performance Evaluation System (CPES) Final Rating, which must be at least satisfactory. In case of contracts with the private sector, an equivalent document shall be submitted;**

- ☐ (h) **and** Philippine Contractors Accreditation Board (PCAB) License;  
**or** Special PCAB License in case of Joint Ventures;  
**and** registration for the type and cost of the contract to be bid; **and**
- ☐ (i) Original copy of Bid Security. If in the form of a Surety Bond, submit also a certification issued by the Insurance Commission;  
**or** Original copy of Notarized Bid Securing Declaration; **and**
- ☐ (j) Project Requirements, which shall include the following:
  - ☐ a. Organizational chart for the contract to be bid;
  - ☐ b. List of contractor’s key personnel (e.g., Project Manager, Project

- Engineers, Materials Engineers, and Foremen), to be assigned to the contract to be bid, with their complete qualification and experience data;
- ☐ c. List of contractor's major equipment units, which are owned, leased, and/or under purchase agreements, supported by proof of ownership or certification of availability of equipment from the equipment lessor/vendor for the duration of the project, as the case may be; **and**
  - ☐ (k) Original duly signed Omnibus Sworn Statement (OSS); **and** if applicable, Original Notarized Secretary's Certificate in case of a corporation, partnership, or cooperative; or Original Special Power of Attorney of all members of the joint venture giving full power and authority to its officer to sign the OSS and do acts to represent the Bidder.

***Financial Documents***

- ☐ (l) The prospective bidder's audited financial statements, showing, among others, the prospective bidder's total and current assets and liabilities, stamped "received" by the BIR or its duly accredited and authorized institutions, for the preceding calendar year which should not be earlier than two (2) years from the date of bid submission; **and**
- ☐ (m) The prospective bidder's computation of Net Financial Contracting Capacity (NFCC).

***Class "B" Documents***

- ☐ (n) If applicable, duly signed joint venture agreement (JVA) in accordance with RA No. 4566 and its IRR in case the joint venture is already in existence; **or** duly notarized statements from all the potential joint venture partners stating that they will enter into and abide by the provisions of the JVA in the instance that the bid is successful.

**II. FINANCIAL COMPONENT ENVELOPE**

- ☐ (o) Original of duly signed and accomplished Financial Bid Form; **and**

***Other documentary requirements under RA No. 9184***

- ☐ (p) Original of duly signed Bid Prices in the Bill of Quantities; **and**
- ☐ (q) Duly accomplished Detailed Estimates Form, including a summary sheet indicating the unit prices of construction materials, labor rates, and equipment rentals used in coming up with the Bid; **and**
- ☐ (r) Cash Flow by Quarter.

## **Bid Securing Declaration Form**

*[shall be submitted with the Bid if bidder opts to provide this form of bid security]*

---

REPUBLIC OF THE PHILIPPINES)

CITY OF \_\_\_\_\_) S.S.

### **BID SECURING DECLARATION** **Project Identification No.: *[Insert number]***

To: *[Insert name and address of the Procuring Entity]*

I/We, the undersigned, declare that:

1. I/We understand that, according to your conditions, bids must be supported by a Bid Security, which may be in the form of a Bid Securing Declaration.
2. I/We accept that: (a) I/we will be automatically disqualified from bidding for any procurement contract with any procuring entity for a period of two (2) years upon receipt of your Blacklisting Order; and, (b) I/we will pay the applicable fine provided under Section 6 of the Guidelines on the Use of Bid Securing Declaration, within fifteen (15) days from receipt of the written demand by the procuring entity for the commission of acts resulting to the enforcement of the bid securing declaration under Sections 23.1(b), 34.2, 40.1 and 69.1, except 69.1(f), of the IRR of RA No. 9184; without prejudice to other legal action the government may undertake.
3. I/We understand that this Bid Securing Declaration shall cease to be valid on the following circumstances:
  - a. Upon expiration of the bid validity period, or any extension thereof pursuant to your request;
  - b. I am/we are declared ineligible or post-disqualified upon receipt of your notice to such effect, and (i) I/we failed to timely file a request for reconsideration or (ii) I/we filed a waiver to avail of said right; and
  - c. I am/we are declared the bidder with the Lowest Calculated Responsive Bid, and I/we have furnished the performance security and signed the Contract.

IN WITNESS WHEREOF, I/We have hereunto set my/our hand/s this \_\_\_\_ day of *[month]* *[year]* at *[place of execution]*.

REPUBLIC OF THE PHILIPPINES)  
CITY OF \_\_\_\_\_ ) S.S.

### PERFORMANCE SECURING DECLARATION

Invitation to Bid: [Insert Reference Number indicated in the Bidding Documents]

To: [Insert name and address of the Procuring Entity]

I/We, the undersigned, declare that:

1. I/We understand that, according to your conditions, to guarantee the faithful performance by the supplier/distributor/manufacture/contractor/consultant of its obligations under the Contract, I/we shall submit a Performance Securing Declaration within a maximum period of ten (10) calendar days from the receipt of the Notice of Award prior to the signing of the Contract.
2. I/We accept that: I/we will be automatically disqualified from bidding for any procurement contract with any procuring entity for a period of one (1) year for the first offense, or two (2) years **for the second offense**, upon receipt of your Blacklisting Order if I/We have violated my/our obligations under the Contract;
3. I/We understand that this Performance Securing Declaration shall cease to be valid upon:
  - a. issuance by the Procuring Entity of the Certificate of Final Acceptance, subject to the following conditions:
    - i. Procuring Entity has no claims filed against the contract awardee;
    - ii. It has no claims for labor and materials filed against the contractor; and
    - iii. Other terms of the contract; or
  - b. replacement by the winning bidder of the submitted PSD with a performance security in any of the prescribed forms under Section 39.2 of the 2016 revised IRR of RA No. 9184 as required by the end-user.

**IN WITNESS WHEREOF**, I/We have hereunto set my/our hand/s this \_\_\_\_ day of [month] [year] at [place of execution].

*[shall be submitted with the Bid]*

---

REPUBLIC OF THE PHILIPPINES )  
CITY/MUNICIPALITY OF \_\_\_\_\_ ) S.S.

**AFFIDAVIT**

I, [Name of Affiant], of legal age, [Civil Status], [Nationality], and residing at [Address of Affiant], after having been duly sworn in accordance with law, do hereby depose and state that:

1. *[Select one, delete the other:]*

*[If a sole proprietorship:]* I am the sole proprietor or authorized representative of [Name of Bidder] with office address at [address of Bidder];

*[If a partnership, corporation, cooperative, or joint venture:]* I am the duly authorized and designated representative of [Name of Bidder] with office address at [address of Bidder];

2. *[Select one, delete the other:]*

*[If a sole proprietorship:]* As the owner and sole proprietor, or authorized representative of [Name of Bidder], I have full power and authority to do, execute and perform any and all acts necessary to participate, submit the bid, and to sign and execute the ensuing contract for [Name of the Project] of the [Name of the Procuring Entity], as shown in the attached duly notarized Special Power of Attorney;

*[If a partnership, corporation, cooperative, or joint venture:]* I am granted full power and authority to do, execute and perform any and all acts necessary to participate, submit the bid, and to sign and execute the ensuing contract for [Name of the Project] of the [Name of the Procuring Entity], as shown in the attached [state title of attached document showing proof of authorization (e.g., duly notarized Secretary's Certificate, Board/Partnership Resolution, or Special Power of Attorney, whichever is applicable)];

3. [Name of Bidder] is not "blacklisted" or barred from bidding by the Government of the Philippines or any of its agencies, offices, corporations, or Local Government Units, foreign government/foreign or international financing institution whose blacklisting rules have been recognized by the Government Procurement Policy Board, **by itself or by relation, membership, association, affiliation, or controlling interest with another blacklisted person or entity as defined and provided for in the Uniform Guidelines on Blacklisting;**

4. Each of the documents submitted in satisfaction of the bidding requirements is an authentic copy of the original, complete, and all statements and information provided therein are true and correct;

5. [Name of Bidder] is authorizing the Head of the Procuring Entity or its duly authorized representative(s) to verify all the documents submitted;

6. *[Select one, delete the rest:]*

*[If a sole proprietorship:]* The owner or sole proprietor is not related to the Head of the Procuring Entity, members of the Bids and Awards Committee (BAC), the Technical Working Group, and the BAC Secretariat, the head of the Project Management Office or

the end-user unit, and the project consultants by consanguinity or affinity up to the third civil degree;

*[If a partnership or cooperative:]* None of the officers and members of *[Name of Bidder]* is related to the Head of the Procuring Entity, members of the Bids and Awards Committee (BAC), the Technical Working Group, and the BAC Secretariat, the head of the Project Management Office or the end-user unit, and the project consultants by consanguinity or affinity up to the third civil degree;

*[If a corporation or joint venture:]* None of the officers, directors, and controlling stockholders of *[Name of Bidder]* is related to the Head of the Procuring Entity, members of the Bids and Awards Committee (BAC), the Technical Working Group, and the BAC Secretariat, the head of the Project Management Office or the end-user unit, and the project consultants by consanguinity or affinity up to the third civil degree;

7. *[Name of Bidder]* complies with existing labor laws and standards; and
8. *[Name of Bidder]* is aware of and has undertaken the responsibilities as a Bidder in compliance with the Philippine Bidding Documents, which includes:
  - a. Carefully examining all of the Bidding Documents;
  - b. Acknowledging all conditions, local or otherwise, affecting the implementation of the Contract;
  - c. Making an estimate of the facilities available and needed for the contract to be bid, if any; and
  - d. Inquiring or securing Supplemental/Bid Bulletin(s) issued for the *[Name of the Project]*.
9. *[Name of Bidder]* did not give or pay directly or indirectly, any commission, amount, fee, or any form of consideration, pecuniary or otherwise, to any person or official, personnel or representative of the government in relation to any procurement project or activity.
10. **In case advance payment was made or given, failure to perform or deliver any of the obligations and undertakings in the contract shall be sufficient grounds to constitute criminal liability for Swindling (Estafa) or the commission of fraud with unfaithfulness or abuse of confidence through misappropriating or converting any payment received by a person or entity under an obligation involving the duty to deliver certain goods or services, to the prejudice of the public and the government of the Philippines pursuant to Article 315 of Act No. 3815 s. 1930, as amended, or the Revised Penal Code.**

IN WITNESS WHEREOF, I have hereunto set my hand this \_\_\_ day of \_\_\_, 20\_\_ at \_\_\_\_\_, Philippines.

## NET FINANCIAL CONTRACTING CAPACITY

Current Assets	_____
<b>Less:</b> Current Liabilities	_____
Total	_____
Multiply by K	<b>15</b>
Total	_____
<b>Less:</b> Value of All Outstanding Works or or Projects under on-going contracts including awarded but not yet started	
<b>Net Financial Contracting Capacity</b>	=====

---

Net Financial Contracting Capacity (NFCC)

**NFCC** = at least equal to the Approved Budget

= [(current assets - current liabilities) (K) - (value of all outstanding works  
or projects under on-going contracts, including awarded  
but not yet started

Name of Company: \_\_\_\_\_

Authorized Representative: \_\_\_\_\_  
signature over printed name

**STATEMENT OF ALL: (i) ONGOING CONTRACTS (GOVERNMENT AND PRIVATE) AND; (ii)  
AWARDED BUT NOT YET STARTED CONTRACTS**

This is to certify that \_\_\_\_\_ **(Bidder)** \_\_\_\_\_ has the following ongoing and awarded but not yet started contracts:

<b>Date of the Contract</b>	<b>Contracting Party</b>	<b>Name of Contract</b>	<b>Nature of Contract</b>	<b>Amount of Contract</b>	<b>Contract Duration</b>	

\_\_\_\_\_  
Name and Signature of Authorized Representative

\_\_\_\_\_  
Date

\*Instructions:

- a) State all ongoing contracts including those awarded but not yet started (government and private contracts which may be similar or not similar to the project called for bidding) as of **DEADLINE OF SUBMISSION OF BIDS**.
- b) If there is no ongoing contract including awarded but not yet started as of the aforementioned period, state none or equivalent term.
- c) The total amount of the ongoing and awarded but not yet started contracts should be consistent with those used in the Net Financial Contracting Capacity (NFCC) in case an NFCC is submitted as an eligibility document.
- d) **“Name of Contract”**. Indicate here the Nature/ Scope of the Contract for easier tracking of the entries/ representations.

## STATEMENT OF SIGNLE LARGEST COMPLETED CONTRACT SIMILAR TO THE CONTRACT TO BE BID

This is to certify that \_\_\_\_\_ **(Bidder)** \_\_\_\_\_ has completed the below-listed contract within five (5) years prior the deadline of submission and opening of bids.

<b>Date of the Contract</b>	<b>Contracting Party</b>	<b>Name of Contract</b>	<b>Nature of Contract</b>	<b>Amount of Contract</b>	<b>Contract Duration</b>	<b>Issuance Date of Certification Satisfactory Service</b>

\_\_\_\_\_  
Name and Signature of Authorized Representative

\_\_\_\_\_  
Date

\*Notes:

- a) Cut-off date as of **DEADLINE OF SUBMISSION OF BIDS**.
- b) **“Name of Contract”**. Indicate here the Nature/ Scope of the Contract for the Procuring Entity to determine the relevance of the entry with the Procurement at hand.

### LIST OF CONTRACTOR'S PERSONNEL

I hereby declare that the following key personnel enumerated below, with attached resume/bio-data, including valid PRC License, for the various positions / functions, are available for the project applied for:

Position of Key Personnel	Name	No. of Key Personnel	Similar Experience in the Position (years)	Similar and Related Experience (Years)	Attachments	Annex(es)

**NOTE: Please refer to the Bid Data Sheet for Minimum Qualification Requirements**
