

Ma. Cristina Sheila C. Cabaraban

Member of the Board

Date of First Appointment: 7 June 2023

Age: 57

On 13 June 2023, Director Ma. Cristina Sheila Cabaraban assumed a role on the Board of Directors of PNOC transitioning from her prior position in the private sector where she contributed significantly to power project development in renewable energies, emerging technologies, and conventional energy sources.

Formerly, she held the position of President of the Institute of Integrated Electrical Engineers of the Philippines. With a Bachelor's degree in Electrical Engineering from Xavier University-Ateneo de Cagayan, she also earned recognition as a NUFFIC Fellow from Maastricht School of Management, and is actively pursuing her Doctorate in Engineering Management.
